NPF handling fee and repair charge for OOW products

Dear Valued Customer,

Please find our NPF handling fee and repair charge table for OOW products as below,

Parts	Repair Charge	Handling Charge	Trunaround Time (TAT)
System	US\$85/unit + Parts Materials Cost		Subject to RuggON's confirmation
M/B	US\$55/unit + Parts Materials Cost		Subject to RuggON's confirmation
NPF handling fee		US\$45/unit	
CID products	Subject to RuggON's confirmation (charge handling fee US\$45 for returned unit as original condition no repair or replacement)		

If there is any further questions, please feel free e-mail to us with csd@ruggon.com, thank you.
